

CES 2016 INNOVATION AWARDS

The CES 2016 Innovation Awards is the ultimate recognition for the design and engineering of consumer technology products. Since 1976, this prestigious program has celebrated and recognized the ground-breaking technologies of tomorrow.

The awards span 27 product categories and encompass the most influential and inventive fields in the industry, from virtual reality to smart home. Entries are evaluated on their engineering, aesthetics, design qualities, functionality and level of innovation. The expert panel of judges consists of an independent designer, independent engineer and a member of the trade press.

Products selected as Innovation Honorees reflect the pioneering ingenuity driving our industry. The coveted Best of Innovation designation goes to the top-scoring product in each category.

This year's honorees will be featured at CES Unveiled Las Vegas on January 4 and within the Innovation Awards Showcase at Tech West in the Sands, Level 1, Hall G, Booth #83319.

Visit CESweb.org/Innovation for more information on the honorees.

Congratulations to the 2016 Innovation Awards Honorees!

presented by

gracenote.

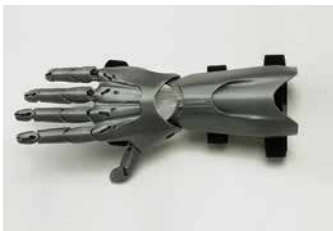

2016 BEST OF INNOVATION AWARD HONOREES

Category	Company Name	Product/Service Name	CES Exhibit Location
3D Printing	Mcor Technologies Ltd.	Mcor Arke	TW, Sands, Level 2, Booth #72916
Accessible Tech	Samsung Electronics	Samsung UN55KS6500 Smart UHD TV w/ Accessibility Features	TE, LVCC, Central Hall, Booth #11906
Computer Hardware and Components	HP Inc.	HP ENVY Curved All-in-One	TE, LVCC, South Hall 2, MtgRm S109
Computer Peripherals	ROLI	Seaboard RISE	TE, LVCC, Central Hall, Booth #14844
Digital Imaging	Ricoh Imaging Americas Corp.	Ricoh Theta S	TE, LVCC, Central Hall, Booth #11040
Eco-Design and Sustainable Technologies	Pilot	ECO USBCELL Rechargeable Battery	TE, LVCC, South Hall 4, Booth #35270
Fitness, Sports and Biotech	Ouraring	ŌURA a Revolutionary Ring-sized Wellness Computer & App	TE, LVCC, Central Hall, Booth #14844
Gaming and Virtual Reality	Vuzix Corp.	iWear Wireless	TE, LVCC, Central Hall, Booth #14048
Headphones	Harman International Industries	JBL Reflect Aware	Not Exhibiting
High-Performance Home Audio/Video	Bang & Olufsen	BeoLab90	TW, Venetian Level 2, Bellini 2101/2012
Home Appliances	Somabar	Somabar Robotic Bartender	TW, Sands, Level 1, Booth #80143
Home Audio/Video Components and Accessories	Klipsch Group Inc.	Klipsch Reference Premiere Dolby Atmos Speaker System	TE, LVCC, Central Hall, Booth #10428
Portable Media Players and Accessories	Belkin International	Charge Dock for Apple Watch and iPhone	TE, LVCC, South Hall 3, Booth #30445
Smart Home	Ecoisme sp. z o.o.	Ecoisme	TW, Sands, Level 1, Booth #80734
Smart Home	Sengled	Sengled Voice - SIRI/Google Now/Echo + Security in LED bulb	TW, Sands, Level 2, Booth #70531
Software and Mobile Apps	Airspek	DietSensor, Pioneer in Automatic Nutrient Tracking	TW, Sands, Level 1, Booth #81137
Tablets, E-Readers and Mobile Computing	Lenovo Corp.	YOGA Tab 3 Pro	TE, Renaissance, Suite 29
Tablets, E-Readers and Mobile Computing	Osterhout Design Group	ODG R-7 Smart Glasses	TE, LVCC, South Hall 2, Booth #26424
Tech For A Better World	3D Systems	K-1 Assistive Device	TW, Sands, Level 2, Booth #72721
Unmanned Systems and Accessories	Lily	Lily Camera	TE, Westgate, Suite 1730
Vehicle Intelligence	Ford Motor Co.	Ford F-150 Pro Trailer Backup Assist	TE, LVCC, North Hall, Booth #2122
Video Displays	LG Electronics USA Inc.	LG 77-inch OLED 4K TV (77G6)	TE, LVCC, Central Hall, Booth #8204
Wearable Technologies	Samsung Electronics	Samsung Gear S2	TE, LVCC, Central Hall, Booth #11906
Wireless Handset Accessories	Deeper	Deeper - Smart Fishfinder	TW, Sands, Level 2, Booth #73057
Wireless Handsets	Samsung Electronics	Samsung Galaxy S6 edge+	TE, LVCC, Central Hall, Booth #11906

Legend: TW = Tech West, TE = Tech East

2016 BEST OF INNOVATION AWARD HONOREES

K-1 Assistive Device 3D Systems

The K-1 is a 3D printable assistive device designed in connection with the company's partnership with e-NABLE, the global network of makers, inventors and designers using 3D printing to make functional, prosthetic hands that are donated to people in need.

DietSensor, pioneer in automatic nutrient tracking Airspek

Pioneer in automatic nutrient tracking, DietSensor brings a new level of simplicity and accuracy to diet trackers for overweight people or with food-related chronic diseases. It analyses the food with a click of a button using a micro scale and SCIO, the first molecular sensor that fits in a hand.

HP ENVY Curved All-in-One HP Inc.

The HP ENVY Curved All-in-One delivers the most immersive experience with top of the line performance, in a QHD+ curved display larger than life, which is Technicolor Color Certified.

Charge Dock for Apple Watch and iPhone Belkin International

An all in one dock solution, this product offers an integrated charging puck for the Apple Watch and an adjustable lightning connector for iPhone for the most case compatibility. It allows the user to charge both devices simultaneously and holds them at ideal viewing angles.

Klipsch Reference Premiere Dolby Atmos Speaker System Klipsch Group Inc.

Klipsch speakers are in commercial Dolby Atmos cinemas because of their proprietary sound principles of high-efficiency, low distortion and controlled directivity. Klipsch took its advanced cinema expertise to the home theater environment with Reference Premiere Dolby Atmos speakers.

Ecoisme

Ecoisme sp. z o.o.

Ecoisme is a home energy monitoring solution that can recognize individual devices in the house based by their signature within the grid. It allows home owners to track energy usage of any device, get tips to reduce consumption as well as alerts on device status.

Ford F-150 Pro Trailer Backup Assist Ford Motor Co.

Ford, America's truck leader, pioneers towing innovation again by introducing Pro Trailer Backup Assist™, a segment-first technology featured on the 2016 Ford F-150. Pro Trailer Backup Assist makes backing up a trailer as easy as turning a knob, for both experts and infrequent towers alike.

JBL Reflect Aware

Harman International Industries

The JBL® Reflect Aware™ headphones delivers both best in class noise cancelling performance and the ability to adjust noise level from your environment for greater awareness. It requires no battery because they draw power and audio directly from the lightning connector on Apple® devices.

YOGA Tab 3 Pro Lenovo Corp.

A multimedia tablet with a built-in projector! It transforms a wall or ceiling into a brilliant 70-inch screen. Enjoy a theater experience on the brilliant 10.1-inch QHD display, and the integrated JBL® 4-speaker sound bar. Up to 18 hours of general use on a single charge.

2016 BEST OF INNOVATION AWARD HONOREES

LG 77-inch OLED 4K TV (77G6) **LG Electronics USA Inc.**

The OLED 4K 77G6 is an outstanding feat of modern engineering and design featuring a flat 77-inch screen with HDR Premium performance, LG's webOS 3.0 Smart TV Platform and stunningly thin design.

ODG R-7 Smart Glasses **Osterhout Design Group**

The world's most advanced Smart Glasses featuring stunning ultra-transparent 3D stereoscopic displays and packed with innovative technologies in a small, light and sleek design. Fully integrated with unparalleled display clarity, on-board processing power and system accuracy.

Lily Camera **Lily**

The Lily Camera, Lily's flagship product, is the world's first throw-and-shoot-camera. The product combines computer vision, GPS, and stable, high-resolution image capture to grant users the freedom of documenting their lives while still living in the moment.

Mcor Arke **Mcor Technologies Ltd.**

Mcor Arke is the world's first full color, professional and safe desktop 3D printer. There is currently no full color desktop 3D printer available on the market and Mcor Arke will also offer reliable and safe 3D printing with the opportunity to customize the design of each printer.

ECO USBCELL Rechargeable Battery **Pilot**

The Pilot ECO USBCell battery utilizes lithium polymer technology and is rechargeable via most USB ports. Outperforming other rechargeable batteries in its class, the Pilot ECO USBCell battery is the ideal choice for gaming as well as other applications.

Ricoh Theta S **Ricoh Imaging Americas Corp.**

The Ricoh Theta S is a first-of-its-kind spherical imaging camera that captures 360-degree scenes surrounding the user. It produces photos and videos that enable viewers to see the entirety of a scene by scrolling up, down, sideways and all around in the resulting image.

Samsung UN55KS6500 Smart UHD TV with Accessibility Features **Samsung Electronics**

The Samsung UN55KS6500 Smart TV offers enhanced Voice Guidance, a greatly improved color palette to improve readability for the visually impaired, and upgraded audio features to provide clearer, sharper sound for the hearing impaired.

Seaboard RISE **ROLI**

The Seaboard RISE is a new musical device. It remodels the keyboard as a soft, sensor-embedded surface that responds to the subtlest gestures of the finger, allowing musicians to shape sound through touch. Powered by groundbreaking technologies, it is also thin, lightweight and portable.

2016 BEST OF INNOVATION AWARD HONOREES

Samsung Gear S2 **Samsung Electronics**

The Samsung Gear S2 is a completely re-designed smartwatch that centers on a circular infrastructure with a rotating bezel. The bezel allows users to easily and precisely navigate the UI with the turn of a dial—from real-time sports updates to functioning as your payment system.

Samsung Galaxy S6 edge+ **Samsung Electronics**

The Galaxy S6 edge+ is a premium, dual-edge smartphone optimized for an immersive multimedia experience, featuring a stunning 5.7-inch display, advanced camera with live broadcast and mobile payment capabilities.

BeoLab90 **Bang & Olufsen**

BeoLab 90 is the new flagship loudspeaker from B&O that gives the customer an unprecedented level of control of the acoustic behavior and performance. Based on technological requirements the designers have provided an intriguing shape that has minimal effect on acoustic performance.

Somabar Robotic Bartender **Somabar**

The world's smartest bartender. Somabar integrates Wi-Fi connectivity, onboard sensors, electronic ingredient tagging and automated cleaning making bartending as easy as pressing a button. Using the Somabar app, you can now share and create cocktails with anyone on the globe in seconds.

Deeper - Smart Fishfinder **Deeper**

Deeper Fishfinder is a smart sonar that works in conjunction with your smartphone. It is specially created for professional and amateur anglers, designed to locate fish, get information about depth, water temperature, bottom contour and much more. Deeper operates in both fresh and salt water.

iWear Wireless **Vuzix Corp.**

Vuzix iWear Wireless is a high-end pair of video headphones that provide users with a streaming wireless personal home theater and mobile wearable gaming solution that extends the small mobile screen into a huge 125-inch screen that is connected to the Web or smartphone for access to content on the go.

Sengled Voice - SIRI/Google Now/Echo + Security in LED bulb **Sengled**

Sengled Voice is the only integrated microphone/speaker LED bulb on the market. It offers voice control of devices, voice interaction with the cloud and enhance, home security by detecting glass breaking and baby crying. It enables distributed intelligence while reducing gadget clutter at home.

Andersen Windows Andersen VeriLock Integrated Security Sensors

Smarter windows for smarter homes start with the Andersen VeriLock® security sensors, the only sensors built directly into your windows and patio doors making them completely invisible. These sensors tell you if a window or patio door is open and locked or unlocked. No other sensors can do that.

The ONE Smart Piano

The ONE Smart Piano is the first piano that anyone can play. When connected to a mobile device, the Smart Piano uses light-up keys to guide individuals through video lessons, sheet music, and piano games.

Legend: TW = Tech West, TE = Tech East

Since 1976, the CES Innovation Awards has been honoring outstanding design and engineering in consumer technology products. Does your product have what it takes? Find out how to enter at www.CESweb.org/Innovation.
